

## Roll-up steel tape measure, Band length: 500 mm

### Order data

Order number	461830 500
GTIN	4045197555342
Item class	41H

### Description

#### Version:

Stainless steel tape with wear-resistant stove-enamelled markings.

#### Advantage:

The convex camber allows the tape to lie **flat** on the desk, so that dimensions can be read and transferred easily and without errors.

#### Function:

Retracts easily at the push of a finger.

Calibration: G1

Tape width: 19 mm
