

Garant

Abrasive fleece pad, 158×224 mm, Fleece structure: 100

Order data

Order number	555995 100
GTIN	4062406300814
Item class	51M

Description

Version:

Synthetic nylon fleece impregnated with abrasive grit in synthetic resin bonding. High-performance fleece with **extremely dense grit distribution** deep into the fibres of the material. The special type of fleece structure permits **aggressive grinding characteristics**, a very long working life without clogging and an even **more uniform finish**.

Advantage:

- **Adapts to the component shape.**
- **The open structure prevents clogging and reduces heat development.**
- **Even and reproducible finish.**
- **Can be used wet or dry.**
- **Contains no materials that could cause corrosion.**

Application:

Can be used by hand, on hand block No. 556020 or on an orbital sander. **Coarse and aggressive:** removes rust, rust film, and surface soiling. For roughening old paint, varnish, plastics, rubber parts (e. g. prior to bonding).

Iron, sulphur and chlorine constituents: < 0.1 %

Grit equivalent: 180 - 220

Grit designation: coarse

Version: A Medium

Colour: red

Technical description

Grit equivalent	180 - 220
-----------------	-----------

Version	A Medium
Grit designation	coarse
Colour	red
Fleece structure	100
Iron, sulphur and chlorine constituents	< 0.1 %
Width	158 mm
Length	224 mm
Product name attribute	158x224 mm
Type of product	Abrasive fleece pad
