

Garant
Service tool case of X-ABS wheeled with shaft pockets

Order data

Order number	692706
GTIN	4045197375254
Item class	61G

Description
Version:

X-ABS is extremely impact resistant, tough and thus **suitable for air travel**. The surface is scratch-resistant, **non-slip (rubberised effect)** and **does not damage surfaces**. Anodised double aluminium frame with integral toggle cylinder locks and glass fibre reinforced positioning hinges for case lid positioning.

Internally fitted with stitched shaft pockets:

1 base shell with sub-divisions including tool board with 16 shaft pockets as a cover (similar to No. 692717).

1 tool board with 26 shaft pockets on front and back (similar to No. 692711).

1 board for documents, fixed to the cover.

Application:

Optimal case for customer service and service engineers due to the shell material, which does not damage surfaces, and high strength with low weight.

Characteristics case: suitable for air travel

Internal dimension length: 460 mm

Internal dimension width: 360 mm

Internal dimension height: 190 mm

Weight: 6.6 kg

Technical description

Weight	6.6 kg
Internal dimension length	460 mm
Internal dimension height	190 mm
Internal dimension width	360 mm
Material	X-ABS
Type of tool storage	Shaft pockets
Case load capacity	30 kg
Characteristics case	suitable for air travel
Type of product	Tool transport system
