

Ratchet adjustable spanner, overall length: 200 mm

Order data

Order number	813970 200
GTIN	4045197603869
Item class	82A

Description

Version:

Ergonomic non-slip grips.

Advantage:

The moveable jaw and head allow **ratchet working** in a tight working arc, saving time and effort. The locking lever locks the head to disable the ratchet; the tool can be used as a normal adjustable spanner with a fixed head. **Extremely large jaw capacity.**

maximum width across flats: 29 mm

overall length: 8 inch
